## **Wrap-up: Path Forward**

Presented To: Community Resilience Panel

Date: November 9, 2015

#### **Thank You**

- Participation levels today reflect the importance of the Panel
  - Broad cross-section of stakeholders
  - Opportunity to address gaps within sectors and across sector (interdependencies)
- Focus of standing committees today was to begin:
  - Becoming familiar with committee members
  - Identifying needs in your own sector
  - Identifying interdependencies that impact community resilience
  - Identifying ways to address needs/gaps
  - Identify existing/ongoing parallel efforts

## **Next Face-to-Face Meeting**

- Spring 2016
  - March or early April
  - Anticipated to be 2-day meeting
  - Meetings will move around not always at NIST
  - Coordinating Committee to work with Administrator to identify location
- What will next face-to-face meeting look like?
  - More time in standing committees working meeting
  - Continue working on developing Priority Action Plans with goal of proposing them to Coordinating Committee and Panel in Fall 2016
  - Information will be provided about first elections likely to take place in Fall 2016 meeting

### **Between Face-to-Face Meetings – Next Steps**

- Review and comment on Charter and Bylaws
  - Review DRAFT and comment online at <u>www.CRPanel.org</u> by Friday November 20, 2015 11:59 pm ET.
  - Announcement of comment mechanism to be available soon
  - Will revise and release for vote
- Coordinating Committee members will meet during coming weeks to review today's standing committee meetings and prepare for next standing committee meeting
- First standing committee virtual meetings will take place after
   Charter and Bylaws are voted upon and ratified likely first week
   of December

# Between Face-to-Face Meetings – Next Steps (Continued)

- Committees will meet periodically by teleconference/WebEx
  - Envisioned to be on order of once per month
  - Chairs responsible for organizing meetings
  - Continue working addressing questions asked today with goal of starting to develop Priority Action Plans
- Continuing to fill out remaining leadership roles
  - Administrator continuing to identify candidates for remaining committee
     Vice-Chairs, and Secretaries
  - Administrator also to begin working on populating Policy Committee with members
